

WORKSPACE PROJECT PROFILE

Clear Harvest Market

Truckee Market + Backend Marketing

A serious local-market build that blends brand story, food commerce, recipe sales, visitor messaging, and a new admin/superadmin marketing backend scaffold.

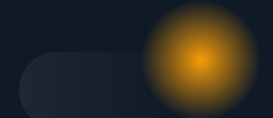

01 Core Offer

Family-brand market site for artisan bread, juice, baked goods, preorder flows, and \$1 recipes.

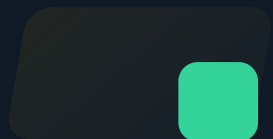

02 Problem Solved

Moves the business beyond a basic info page into a stronger Truckee/Tahoe commerce and growth system.

03 Key Assets

Homepage, order hub, recipe shop, partner page, story page, juice page, admin backend, and lead/payment scaffolds.

04 Ideal Buyer

Truckee locals, Tahoe visitors, cabin hosts, catering buyers, and digital recipe customers.

05

Growth Path

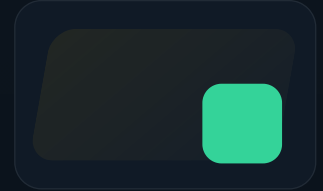

SEO/social/video -> lead capture -> order or recipe checkout -> repeat order, upsell, and local business growth.

06

Next Expansion

Add auth, datastore, real autoposting, live CRM behavior, and more food/product-specific content.
